

Mark Roberts and **BREEZE**

Mark Roberts and Breeze is the latest band to hit the Carolina's Beach and Variety scene.

This seven piece band has a great blend of Soul, R&B, Motown, Funk, Rock and Carolina Beach Music!

These multitalented musicians have played together and separately in various groups including Jim Quick & Coastline, The Breeze Band, The Craig Woolard Band, The Entertainers, and Heart & Soul.

This new venture is the first time they've all been on the same stage at the same time and the results have been overwhelming!

Mark Roberts and Breeze were voted Best New Artists of the Year at the 2008 Carolina Beach Music Awards. And their single remake of "Don't Ever Be Lonely" has received significant airplay and chart action throughout the Southeast.

With six powerful singers on stage, this band has the best vocal sound in the business.

High energy! Superior sound! Excellent musicianship! Fantastic vocals!

Mark Roberts and Breeze has finally arrived and they're here to stay!!!
